APPLICATION FOR REGISTRATION OF STANDARDBRED HORSES WITH SPPHA NSW FOR HORSES NOT ADOPTED THROUGH SPPHA NSW ADOPTION/PLACEMENT PROGRAM

Registration provides official identification of the horse, which may be requested for equestrian competitions and/or breed classes by event/show committees. It also officially identifies a person as the owner of the horse. Note that, for Standardbreds, HRA (Harness Racing Australia) papers may also serve a similar purpose.

Please note the following in regards to registration with SPPHA NSW:

- Applications for registration will only be accepted from financial members of SPPHA NSW. (See attached forms for Membership Fees and Registration Fees).
- There is no limit to the number of horses that may be registered **except** for junior members, where the limit is 2 horses.
- Registration is for the life of the horse. Registration issued by another Standardbred association is acceptable and, in such situations, additional registration with SPPHA NSW may not be required. Please contact SPPHA NSW to discuss.
- Definitions of registration, eligibility for competition and requirements for association membership may differ with other Standardbred associations. Please check with these organisations to confirm their requirements if competing outside NSW.
- For horses under the SPPHA NSW adoption/placement program, registration will automatically occur at the end of the lease period as part of the adoption process.

To complete the registration process:

- Complete the Membership Application if you are not already a member.
- Complete the horse information on the first page of the registration form. With the freezebrand or racing name of the horse, you can find this information at www.harness.org.au/hra.cfm.
- Complete the diagram on the second page of the registration form with your horse's white markings, brands and scars.
- Please provide the following photographs of your horse, without saddlery or harness:
 - A clear close up photograph of your horse's brand. If horse is in winter coat, please clip the brand area for ease of reading.
 - A full body side-on view clearly showing the horse's freeze brand on the neck.
 - Clear photo/photos showing placement of any white markings, ie face, legs.

Please forward all forms (Membership Application [1 page] & Registration Application [2 pages]) and photos **with your payment (membership plus registration - cheque or postal order)**, to SPPHA NSW, PO Box 3471, Dural NSW 2158.

If you need any assistance in this matter, please don't hesitate to phone SPPHA NSW on 0414 963 471 or email registrar@standardbred.org.au.
